

The leased offices are located on the second and fourth floors of a representative building on Piazza Col. C. Bernasconi 5 in Chiasso, a few steps from the centre and close to the public transport stop and the FFS railway station.

The interior surfaces, which are currently being renovated, are in an open space conformation, ranging from approx. 200 m<sup>2</sup> to approx. 4,000 m<sup>2</sup>, and are characterised by dynamic environments that are bright and cosy, with a focus on flexibility, allowing them to be configured to meet every need.

Several indoor and outdoor parking spaces are available.
